Sir:

Applicant for the above-identified application submits this Supplement to the previously filed renewed Petition to request acceptance of an amended claim to priority to U.S. Provisional Application Serial No. 60/439,229, entitled "Microcatheter Including Swellable Tip." The previously filed Petition incorrectly identified the filing date of the '229 application. The correct filing date, and therefore the desired priority date for the present application is January 12, 2003. Applicant respectfully asserts that the entire delay between the date the claim was due under paragraph a(2) of 37 C.F.R. § 1.78 and today was unintentional. Attached hereto is an Application Data Sheet as required by 37 CFR 1.76.

The Commissioner is hereby authorized to charge Deposit Account 03-2769, Conley Rose, P.C., in the amount of \$1,370 for the filing of this petition.

Respectfully submitted,
